Enter in the dance, Plug it in an we begin

Crowd up in the center, they watch (be dibidim)

Watch the way we drop it in a mix timing

Rise and amplifying when we come in wit de swing

Just following the back an naturally harmonizing

Climb into position wit synchronized things

Live from out the ghetto, We maximizing

Sound of the Groove Armada, We Super styling

We Super styling...[2x]

[Chorus:]

Sometime...Can you feel de pressure does unwind  
(sound weird)

Sometime...

Sometime...Trough de day and trough de night

Sometime...

Sometime...You can make our pressure does unwind  
(this too)

Sometime...

Sometime...Its for your spirit and your mind

Sometime...

That's how we drop it (on de up on de line)

One time lyrics that must tick on your mind

Pop a bass line, I'll go (prop on prepay)

My MC super, I'll go double on de right

Go double on de right...

[Chorus]

From up the crater make the music play in time...

(think I'm wrong with this one)

Baby just recline...

Worldwide...

[repeat
