She wanna move around and hold on to the dreams  
That she's dreaming  
She wanna lose the frown and turn it upside down  
And start living

Ah, ah, ah, don't blame the time on your wrist  
For not doing what makes you tick  
Don't blame your clock on the wall  
For running 'round with nothing at all

So I say, uh, uh, baby,  
Take your feet out your shoes  
And go crazy  
Don't just dream in your sleep, it's just lazy  
Are we having fun or are we dazing, baby?

I wanna go down south and hold on to your feelings  
lately  
I wanna hear you growl but who's gonna be there  
To save me?

Ah, ah, ah, don't blame the time on your wrist  
For not doing what makes you tick  
Don't blame your clock on the wall  
For running 'round for nothing at all

So I say, uh, uh, baby,  
Take your feet out your shoes  
And go crazy  
Don't just dream in your sleep, it's just lazy  
Are we having fun or are we dazing, baby?

And don't just dream in your sleep, it's just lazy  
Don't just dream in your sleep, it's just lazy  
Don't just dream in your sleep, it's just lazy  
Don't just dream in your sleep, it's just lazy, lazy  
Don't just dream in your sleep, it's just lazy  
Yeah it's just lazy  
Don't just dream in your sleep, it's just lazy  
Uh, uh, baby, don't just dream in your sleep, it's just  
lazy

Uh, uh, baby, don't just dream in your sleep, it's just  
lazy
