#### Chorus

The way that you walkin, the way that you talkin  
you're the one i want to spend this night with  
tryna get in them draws and bang it out til the morning  
i can already tell you want it  
cause you shakin it all for me, givin it all to me  
rubbin dat body on me  
keep on shakin it all for me, givin it all to me  
rubbin dat body on me

#### Verse 1(Ashanti)

Hey boy  
I think i just might wanna come see you tonight  
and you can have your way boy  
i know its been a while since you made my body right  
now i've been waiting patiently, anticipating you and  
me  
and it aint no question cuz boy i love you when you put  
that body on me

#### Chorus

The way that you walkin, the way that you talkin  
you're the one i want to spend this night with  
tryna get in them draws and bang it out til the morning  
i can already tell you want it  
cause you shakin it all for me, givin it all to me  
rubbin dat body on me  
keep on shakin it all for me, givin it all to me  
rubbin dat body on me

#### Verse 2(Nelly)

Hey how you doin mama  
I need to know ur name  
You givin me the eye eye  
Im givin you the same  
It just hit me right now  
What we should do today  
Go tell you friends bye bye  
And lets go hop a plane  
Its no mistaken the attractions ironic  
I wanna make you someone more then just a a bon in  
my closet

I wanna win that type of relationship  
Where you wanna come hang when your man is trippin  
You say your short this month and your late on your  
rent  
He took your car watchin me hold this  
Hey hey you see oohhh  
You see lil mama outta control

#### Chorus

The way that you walkin, the way that you talkin  
you're the one i want to spend this night with  
tryna get in them draws and bang it out til the morning  
i can already tell you want it  
cause you shakin it all for me, givin it all to me  
rubbin dat body on me  
keep on shakin it all for me, givin it all to me  
rubbin dat body on me

#### Verse 3(Nelly)

Shorty movin closer and closer  
And slower and lower yeah  
I think she know she makin me hard  
Got every man in the club like oh my God  
She slicker then lody dody  
She work her body body  
When you done her at the party  
Meet me down there in the lobby  
And ill be waitin on yah  
And no debatin on yah  
I got a seat for yah  
We can let the top back and ohhhhhhhh  
We don't have to stop girl noooooooooo  
I got a lil something I wanna shooooooooowww  
Believe me your strong  
Lil mama please don't make me wait too long

#### Chorus(x2)

The way that you walkin, the way that you talkin  
you're the one i want to spend this night with  
tryna get in them draws and bang it out til the morning  
i can already tell you want it  
cause you shakin it all for me, givin it all to me  
rubbin dat body on me  
keep on shakin it all for me, givin it all to me  
rubbin dat body on me
