You wont watch the sun, watch the sun watch it rise  
You wont see the light, see the light see it shine  
You wont watch the sun, watch the sun watch it rise  
You wont see the light, see the light see it shine  
You wont watch the sun, watch the sun watch it rise  
You wont see the light, see the light see it shine

Burn!

Burn the motherfucker and throw his body right out the  
window  
Burn the motherfucker and take his worthless life

So burn burn the motherfucker and take take his  
worthless life  
So burn burn the motherfucker and take take his  
worthless life

Burn the motherfucker  
I hope you like it, I hope you like it  
Seeing this motherfucker burn
