VENUS

(Marshall)

FRANKIE AVALON - 1959

Hey Venus oh Venus
Venus if you will
Please send a little girlfriend in april
A girl who wants my kisses and my arms
A girl with hold it charms on you

Venus make me fair
And love the girl with sunlight in her hair
And takes the brightest stars off in the sky
And placement her eyes for me
Venus goddess of love that you are
Surely the things that I ask
Can be to break the test

Venus if you do
I promise that I always could be true
I'll giver all the love like had to give
As longest we bout show it

Venus goddess of love that you are
Surely the things that I ask
Can be to break the test

Venus if you do
I promise that I always could be true
I'll giver all the love like had to give
As longest we bout show it

Hey Venus oh Venus
Make my wish come true
