Yeahh yeahh

[Avant - Verse 1]  
Baby i know when we started out there were things you  
didn't know, but babygirl we got a lotta things we  
Need to discuss i know i'm asking for allot, but just  
trust. you say that things gettin old sneakin'  
Round creepin' and love on the low but babygurl i can't  
wait till' it's officially us, i can't wait to  
Let them know about us.

[Nicole]  
First i thought that i could take you boy but i don't know,  
you told me you were gonna leave her for me  
Long ago.

[Avant]  
Eventually i will but i just gotta take it slow don't wanna  
break her heart, although i gotta let her go  
So baby ..

[Avant - Chorus]  
So please don't say you wanna give up.  
How do i tell her that i'm fallen in love,  
And i know your waiting paciently for that day,  
When we no longer have to lie about us.  
When i walk around all i want is your touch,  
And when you call me i don't wanna hang up,  
And i know i say it often but i can't wait  
Till' we no longer have to lie about us.

[Avant - Verse 2]  
Baby i know situation don't seem fair to us both.  
But babygirl, she's an issue that i'm bout to adjust.  
Don't mistake our love is ment for just us,  
You are my soul, mind, body, spirit all that i know.  
But babygirl i can't wait till' it's officially us, i can't  
Wait to tell the world about us.

[Nicole]

[Avant - Chorus]

So please don't say you wanna give up (please don't  
say).  
How do i tell her that i'm fallen in love (oeehhh oohh).  
And i know your waiting patiently for that day,  
When we no longer have to lie about us (no longer have  
to lie).  
When i walk around all i want is your touch (oeehhh  
oohh),  
And when you call me i don't wanna hang up (baby you  
don't),  
And i know i said it often but i can't wait  
Till' we no longer have to lie about us.

[Avant - Bridge]

Baby won't you wait just a little bit, just a little bit, just a  
little bit longer, longer (oehh yeahh)  
Just a little bit just a little bit just a little bit longer longer  
(won't you wait) just a little bit  
Just a little bit just a little bit longer longer just a little bit  
just a little bit just a little bit  
Longer longer

[Avant - Chorus 2x]

Baby so please don't say you wanna give up,  
How do i tell her that i've fallen in love (how do i tell my  
baby).  
And i know your waiting patiently for that day,  
When we no longer have to lie about us (no longer have  
to lie about us).  
When i walk around, all i want is your touch  
And when you call me i don't wanna hang up (oeehh  
oohh oo).  
And i know i said it often but i can't wait till' we no  
longer have to lie about us.

So please don't say you wanna give up ,  
How do i tell her that i'm fallen in love (how do i tell my  
baby).  
And i know your waiting patiently for that day,  
When we no longer have to lie about us (whoa ooooo).  
When i walk around all i want is your touch,  
And when you call me i don't wanna hang up.  
And i know i say it often but i can't wait till' we no longer

have to lie about us.

[Avant & Nicole - Bridge]

Baby won't you wait just a little bit, just a little bit, (baby)

Just a little bit, just a little bit, just a little bit, (baby

(won't you wait) just a little bit, just a little bit, just a little  
bit, longer, longer (if you wait)  
Just a little bit, just a little bit, just a little bit, longer.
