The smoke of memories in my eyes  
The room is sleeting kind  
It comes in winter white  
In holiday disguise  
To sabotage my mind

Dismiss the urge to reminisce  
To miss your stupid kiss  
The shot at happiness  
It never did exist  
And I don't care if it did

'Cause I won't cry  
There's no turning back  
Merry Christmas  
Happy goddamn new year

I see you everywhere  
I see you everywhere I breathe  
You are the devil king  
The hell of my dreams  
You're poisoning my sleep

And I won't cry  
There's no turning back  
But it makes me sad

And this year it's going to be  
Just like you never knew me  
Peace and quiet  
Happy home  
How I love to be alone  
Merry Christmas  
Happy goddamn new year
