[Chorus: Hayley Williams] Can we pretend that
airplanes in the night sky are like shooting stars? I
could really use a wish right now, wish right now, wish
right now Can we pretend that airplanes in the night sky
are like shooting stars? I could really use a wish right
now, wish right now, wish right now [B.o.B] Yea, I could
use a dream or a genie or a wish To go back to a place
much simpler than this Cause after all the partyin and
smashin and crashin And all the glitz and the glam and
the fashion And all the pandemonium and all the
madness There comes a time where you fade to the
blackness And when you starin at the phone in yo' lap
And you hopin but them people never call you back
(back) But that's just how the story unfolds You get
another hand soon after you fold And when your plans
unravel in the sand What would you wish fo', if you had
one chance? So airplane airplane, sorry I'm late I'm on
my way so don't close that gate If I don't make that
then I'll switch my flight And I'll be right back at it by the
end of the night [Chorus] w/ B.o.B ad libs [B.o.B] Yea,
yea, somebody take me back to the days Before this
was a job, before I got paid Before it ever mattered
what I had in my bank Yeah back when I was tryin to get
into that subway And back when I was rappin for the
hell of it But nowadays we rappin to stay relevant I'm
guessin that if we can make some wishes out of
airplanes Then maybe, yo maybe I'll go back to the
days Before the politics that we call the rap game And
back when ain't nobody listened to my mixtape And
back before I tried to cover up my slang But this is for
Decatur, what's up? Bobby Ray So can I get a wish, to
end the politics and get back to the music that started
this shit? So here I stand and then again I say I'm hopin
we can make some wishes out of airplanes [Chorus] w/
B.o.B ad libs [B.o.B] + (Hayley) I could really use a wish
right now (ohhhhhh ohh-ohh-ohhh) I, I, I could really use
a wish right now (mm-hmmmmmmmm) Like, like, like
shootin stars (ohhhhhhhhhh ohhhh) I, I, I, I could really
use a wish right now (ohhhhhh ohhhh) A wish, a wish
right now - a wish right now
