Bubble clap, come on  
Bubble clap, come on  
Bubble clap, come on  
Bubble clap, come on  
Bubble clap, come on

Chorus:

(Natalie)

[Natalie] I'm so bubbalicious and so delicious  
You can't resist it, now can we kick it  
Are you my friend?  
[Baby Bash] Yes, I'm your friend  
You're so supernatural (Uh huh)  
When you dancin' on the pole (Uh huh)  
Baby, say, "Oh, oy  
Whoa-oy"

Repeat Chorus

[Baby Bash]

(Verse 1)

You keep it bubbalicious, girl, and that's what's up  
You come and lend your business, girl, and that's  
what's up  
We gon' fuck it when you shake it, girl, and that's  
what's up  
You want it, you can take it, girl, and that's what's up  
Super duper fly, baby girl, you so grewed  
Bringin' more flavor than some cold rocky road  
I'm high as Nate Dogg on the Next Episode  
Ain't no trouble when we bubble, girl, let the game flow

Repeat Chorus

(Verse 2)

Now how the hell you get a player so electrified  
Is that a dance you doin' or an excersize  
Baby, take me to a place where my spirit run free  
Dance like we in France, mama, oooh, oui, oui  
You the type of chick who love skirts and high heels

I'm the type of cat who love throwin' dollar bills  
Ain't no trouble when we bubble  
Fly like a breeze  
You beat the Hennesey  
I'm a be your lemon squeeze

Repeat Chorus

[Baby Bash]  
Bubbalicious, ah yeah, so fly  
Bubbalicious, ah yeah, so fly  
Bubbalicious, ah yeah, so fly  
Bubbalicious, ah yeah, so fly

Repeat Chorus Twice
