[Russell Lee]

Money, money, money, money

[Chorus: Nate Dogg]

That's my lady

She will never let me down (Money, money, money...)

That's my baby

She's gon' always be around (Money, money, money...)

She'll never play me

She'll stay true

When I leave town (Money, money, money...)

That's my playmate

Got my mind on my money, and my money on my mind

[Pre-Verse: Baby Bash]

She my peso, my dinero, my paper, my playmate

She always on time, and never a day late

She's never on a diet, my pockets, they gain weight

And me without her is somethin' I can't take

[Baby Bash]

(Verse 1)

Now we gon' ride like the wind, my lover, my dividend

She my ferri', I'm her daddy, and she, my best friend

Got me spendin' weekends in Kingston, Jamaica

Oooh, my favorite genie

Oooh, I love my paper

And when she step out of line, daddy gon' hit on a
grind

Facin' penitentiary time, but she eventually mine

The same color as my hydro

I swear to God

The only breezy that I'll die for

My mind so

Pre-Chorus 1: Baby Bash

In love with this cheddar, me and her go together

Like birds, of one feather, she keep me ridin' on
leather

And chrome

You know it's on, when my baby home

She my Playboy bunny that's sweeter than honeycomb

[Chorus]

(Verse 2)

Love at first sight, sex on the first night

My blessin'

When I'm stressin', she keepin' my game tight

She doin' the thang right, she deep in the blue sea

If I'm

Ricky Ricardo, then she's my Lucy

My fly's serenity, my pocket of energy

As a matter of fact, she gon' bring the Hennesey

I love to hold her

Fold her

Her love is so douja

Got them dame pieces, makin' love to my poster (What is it)

Pre-Chorus 2: Baby Bash

I'm lovin' this part of the game

And my money ain't genocide, ain't got to explain

Swangin' from lane to lane, we doin' the damn thang

My money, my motivation, my national campaign

[Chorus]

Break:

[Natalie] My pride

My joy

My everything

[Baby Bash] It's what I'm talkin' 'bout

[Natalie] I'll ride

My boy

On everything

[Baby Bash] It's what I'm talkin' 'bout

[Natalie] My pride

My joy

My everything

[Baby Bash] It's what I'm talkin' 'bout

[Natalie] I'll ride

My boy

On everything

[Chorus]

[Russell Lee] Money, money, money, money

[Baby Bash] Yeah

My scrill or scratch

[Russell Lee] Money

[Baby Bash] That good feria

That big bread

[Russell Lee] Money, money, money, money
[Baby Bash] Y'all ready know
