Come on, come out  
The weather is warm  
Come on, come out  
Said come on, come on

A spot in the shade  
Where oranges fall  
A spot in the shade  
Away from it all

Watching the sky  
Watching a painting coming to life  
Shifting and Shaping  
Staying inside  
It all goes it all goes by

A blanket unfolds  
A blanket tonight  
The pieces of gold  
They light up your eyes  
Now we're alone  
Now we're alive

Watching the sky  
Watching the painting come to life  
Shifting and shaping  
Staying inside  
It all goes it all goes it all goes by

Stopping the time  
Rushing, waiting  
Leave it behind  
Shifting and shaping  
Keep it inside  
It all goes it all goes it all goes by  
It all goes passing by  
It all goes passing by
