

## **A Fine Frenzy "Last Of Days"**

Something causing fear to fly  
Rising like a dark night  
In silence  
Traveling like a broken boat  
Heading for the sky  
And I'm an island

I watched you disappear into the clouds  
Swept away into another town

The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days

The sun is in the east,  
Rising for the beasts  
And the beauties  
I wish that I could tear it down,  
Plant it in the ground to warm your face

I built myself a castle on the beach  
Watching as it slid into the sea

The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days  
Until the last of days

Through walls and harvest moons  
I will fight for you

The world carries on without you  
But nothing remains the same  
I'll be lost without you  
Until the last of days  
Until the last of days
