Liar, liar, you're such a great big liar
With the tallest tales that I have ever heard
Fire, fire, you set my soul on fire
Laughing in the corner as it burns
Right between the ribs, it's sinking in

Oh, oh, the sirens sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown

Sick and tired of this mad desire
Fluttering inside me like a hawk
Wire, wire, got my hands on wires
Will heaven help you when I get them off?
Right between the ribs, you'll feel it then
Oh, oh, the sirens sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown

All the ships go down
Following the sound
All the ships go down

Oh, oh, the siren sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown

Oh, oh, the siren sang so sweet
And watched the sailors going down
Oh, oh, you talked to me in siren song
Yeah, anyone would drown
Anyone would drown
