

A Fine Frenzy "Near To You"

He and I had something beautiful
But so dysfunctional, it couldn't last
I loved him so but I let him go
'Cause I knew he'd never love me back

Such pain as this
Shouldn't have to be experienced
I'm still reeling from the loss,
Still a little bit delirious

Near to you, I am healing
But it's taking so long
'Cause though he's gone
And you are wonderful
It's hard to move on
Yet, I'm better near to you.

You and I have something different
And I'm enjoying it cautiously
I'm battle scarred, I am working oh so hard
To get back to who I used to be

He's disappearing
Fading steadily
And I'm so close to being yours
Won't you stay with me?
Please

'Cause near to you, I am healing
But it's taking so long
'Cause though he's gone
And you are wonderful
It's hard to move on
Yet, I'm better near to you.

I only know that I am
Better where you are
I only know that I am
Better where you are
I only know that I belong
Where you are

Near to you, I am healing
But it's taking so long
Though he's gone
And you are wonderful
It's hard to move on

Near to you, I am healing
But it's taking so long
'Cause though he's gone
And you are wonderful
It's hard to move on
Yet, I'm better near to you.

Yet, I'm better near to you.
