We are not. frightened anymore,
We stood up
We stood up
And there are two of us
Oh, There will be more
They'll show up
They'll show up
They'll show up

You can blame a change of mind,
A seismic shift in times
They told us not to fight
But we'll fight until we die

Cuz we are not frightened anymore,
We stood up
Yeah, We stood up
And there are two of us
There will be many more,
They'll show up
Yeah, they'll show up

And so they sunk, every ship we sailed
But we stood up,
Yeah, we stood up
And they fought hard,
But somewhere fighting failed
They're all shook up
They're all shook up
All shook up

When steel and concrete break
Beneath the steady waves
Of fearless, hope and grace
In kindness, there is strength

Cuz we are not frightened anymore,
We stood up
We stood up
And there are two of us
Oh, there will be more
Oh, they'll show up

Oh, they'll show up
Yeah, they'll show up

(instrumental w/group singing "We are not.." x5)

We are not frightened anymore
We are not frightened anymore
