One, two, three
Counting out the signs we see
The tall buildings
Fading in the distance
Only dots on a map

Four, five, six
The two of us, a perfect fit
You're all mine, all mine
And all I can say
Is you blow me away

Like an apple on a tree
Hiding out behind the leaves
I was difficult to reach
But you picked me

Like a shell upon a beach
Just another pretty piece
It was difficult to see
But you picked me
Yeah, you picked me

So softly
Rain against the windows
And the strong coffee
Warming up my fingers
In this fisherman's house

You got me
Searched the sand and climbed the tree
And brought me back down
And all I can say
Is you blow me away

Like an apple on a tree
Hiding out behind the leaves
I was difficult to reach
But you picked me

Like a shell upon a beach
Just another pretty piece

I was difficult to see
But you picked me
Yeah, you picked me

Like an apple on a tree
Hiding out behind the leaves
I was difficult to reach
But you picked me

Like a shell upon a beach
Just another pretty piece
I was difficult to see
But you picked me

Like an apple on a tree
Hiding out behind the leaves
I was difficult to reach
But you picked me

Like a shell upon a beach
Just another pretty piece
I was difficult to see
But you picked me
Yeah, you picked me
