[Baby Bash]  
(Verse 1)  
I'm a holler back, then I pop my collar back  
Girl, I see that  
Da-da-da, dunk  
I want all of that, follow that  
Train man, follow that caboosey  
Ain't nathin' in the world  
Like some thick, and some juicy  
She going downtown, cause her favorite DJ's spinnin'  
I'm all up in the door, so I'm already winnin'  
I got a lot of women, but I'm way too choosey  
And then I love my cake, like that Ricky love Lucy  
On some peanut butter leather, with the wood so grainy  
It must be raining dollars, cause she lookin' so gravy

Sophisticated lady, pop it to the end, what it do  
What the busi', baby girl, tell me what's happenin',  
what's happenin'

Repeat Chorus Twice

Pre-Verse: Baby Bash

She move like she dancing on YouTube  
The kind of chica that you really ain't used to  
Dame lo, dame lo, mami, shoot through  
In my ear, talkin' 'bout, I'm a do you

(Verse 2)

Everyone top-notch it  
Everybody watch it  
Ain't no punk, when she pop, lock and drop it  
Straight show stop it  
Watching me perform  
Got the Cyclone ringtone on the phone  
I feel it on my body, baby, girl, I'm in the zone  
Must be the goose mixed with a little 'Tron  
She make it happen, Cap'n, feeling on me  
We in the billin' and we feeling like wee

Repeat Chorus Twice

What-da-da-dang
