So, you'll meet me there
Behind those castle walls
Just like before
We walked right through
Those empty halls

It made me think about
The land of gathering
And what would happen if
We ever saw the king.

Oooh...

Maybe since we're gone and
All is through,
I've got such a view
I've got such a view
[x2]

We pulled the rope so that
The gate would start to fall
And no one watched to see
The final curtain call

The paper set tore up
So the swords didn't swing
And why'd I think the choir
Would stop the songs they sing?

Oh, they didn't.

Maybe since we're gone and
All is through,
I've got such a view
I've got such a view
[x4]
