Like a drum, like a drum

Every time you walk on by I got a sight high
You make my heart beat like a drum
(Heartbeat, heartbeat, heartbeat)
Every time you look my way I gotta say hey
You make my heart beat like a drum
(Heartbeat, heartbeat, heartbeat)

Every time you walk on by I got a sight high
You make my heart beat like a drum
(Heartbeat, heartbeat, heartbeat)
You make me lie you make me cry I wanna die
You make my heart beat like a drum

Then I'll have to tell you what you mean to me
(I didn't, did I?)
Then I'll have to say that love would set you free
(No, no, girl)

Then I'll have to say love would come your way
It really doesn't matter, it really doesn't matter
It really doesn't matter what they say

In your eyes I see some paradise
(See some paradise)
In your arms I feel that paradise
(Feel that paradise)

I want you, I want you, I want you to stay with me girl
So don't run away, don't run away

Every time you walk on by I got a sight high
You make my heart beat like a drum
(Heartbeat, heartbeat, heartbeat)
You make me lie, you make me cry I wanna die
My heart beats like a drum
(Heartbeat)

Like a drum, like a drum, like a drum, like a drum
(Heartbeat, heartbeat)
Ooh, like a drum, drum, drum

Then I'll have to tell you what your kisses mean
(I didn't, did I?)
Then I'll have to say that love would set you free
(No, no, girl)
Then I'll have to say love would come your way
(Come your way)

It really doesn't matter, it really doesn't matter
It really doesn't matter what they say
(Heartbeat, heartbeat)
Really doesn't matter what they say
(Heartbeat, heartbeat)
My heart beats like a drum
(Heartbeat)
