I walked along the avenue

I never thought I'd meet a girl like you
meet a girl like you.
With auburn hair and tawney eyes

The kind of eyes that hypnotise me through
hypnotise me through.
And I ran - I ran so far away

I just ran
I ran all night and day - I couldn't get away.
A cloud appears above your head

A beam of light comes shining
down on you
shining down on you.
The cloud is moving nearer still

Arora-borealis comes in view

arora comes in view.
And I ran - I ran so far away

...
Reached out a hand to touch
your face

You're slowly disappearing
from my view
'appearing from my view.
Reaches out a hand to try again

I'm floating in a beam of light with you
beam of light with you.
And I ran
I ran so far away
I just ran
I ran all night and day

And I ran
I ran so far away
I just ran

I couldn't get away.
