Ultraviolet,
Radio light
To your solar system
On a beam of light.

This is telecommunication,
Telecommunication
Telecommunication,
Telecommunication

Laser beam
Coming through the night
To my t.v. screen,
To my color eye.

This is telecommunication,
Telecommunication
Telecommunication,
Telecommunication

Video screen,
Silver page,
With a new calibration
For the nuclear age.

This is telecommunication,
Telecommunication
Telecommunication,
Telecommunication

This is telecommunication,
Telecommunication

Telecommunication,
Telecommunication

This is telecommunication,
Telecommunication
Telecommunication,
Telecommunication

Telecommunication,

Telecommunication,
Telecommunication,
Telecommunication
