I am a traveller  
And I'm arriving  
In a new place  
With a new face.

So don't stop, stop, stop, stop, stop, stop.  
Don't look behind you.  
You don't stop, stop, stop, stop, stop, stop,  
They'll never find you.

I am a traveller  
Across the ocean  
I wanna get there.  
I wanna swim in your emotion.

So don't stop, stop, stop, stop, stop, stop.  
Don't look behind you.  
You don't stop, stop, stop, stop, stop, stop,  
They'll never find you.

I am the traveller

Across a million miles of open.  
I wanna get there,  
I wanna swim in your emotion.

I won't stop, stop, stop, stop, stop, stop.  
Won't look behind you.  
They won't stop, stop, stop, stop, stop, stop,  
Until they find you.

I am a traveller,  
I am a traveller,  
I am a traveller,  
I am a traveller,  
Traveller,  
Traveller.
