Is everything alright?
I just called to say how lost
I feel without you
Miles away
I really can't believe I'm here
and how I still care about you

Hearts can break
And never mend together
Love can fade away
Hearts do cry
when love won't stay forever
Hearts can be that way

Is everything the same?
do you ever think of me
and how we loved one another
Have you changed your mind?
Do you want me back again
or have you found yourself a new lover

(Chorus)

Is everything o.k.?
I just thought I'd write a song
to tell the world how I miss you
'Cause each and everyday
I think of all the words I never said
and all the chances that I had to

(Chorus)

Is everything alright
