[Lead: Holm/Persson]

The truth of god - a terror for the weak
Within chaos will rise to reign
Behold the future of this disordered will
Your fate is in his hand of rage

Seeds of harmony - mankind
The rage of harmony - mankind

Face the truth of god - face his war
Annihilate the weak - annihilate the weak
He's deranged and you're the lost ones
Face the truth of god

Emptiness suffocate so embrace the icons
Salvations of your sins gave birth to decay
The harmony is your own - you embrace the lies
To erase the pain to be lost in harmony

Seeds of harmony - mankind
The rage of harmony - mankind

[Lead: Persson]

Consumed by seductive prophecies
Kiss the spoils of empty faces
Bury yourself within his prophecies
Fit with your god and die with his lies

Behold the future of mankind in disorder
Your fate is in his hands of rage

Seeds of harmony - mankind
The rage of harmony - mankind

Face the truth of god - face his war
Annihilate the weak - annihilate the weak
He's deranged and you're the lost ones
Face the truth of god

Annihilation
