"I Owe You"

I couldn't stand where I am standing
I couldn't see what I have seen
You are the life that got me living
My dreams
Everyone needs a believer
And you were that to me
Always make this non-believer
Believe

I owe you
I owe you

You said fly when I was falling
And shouted "Reach out for the sky!"
'Cause the only mountains worth climbing
Are high

I owe you
I owe you

I owe you
I owe you

If I could I would repay you
But that's a debt that I can't pay
And I know the way God made you
You wouldn't take, wouldn't take it anyway

I owe you
I owe you

I owe you
I owe you

I owe you
I owe you

Oh, I know I do
I know I know I do
I owe you
I know I do
