My heart has arrived,  
Love lives in your eyes  
And I need to know  
What you see in mine.  
I've been shattered and healed  
Searching for something that's real,  
Where do you stand? How do you feel?

If I run, will you run after me?  
If I walk, will you wait patiently?  
If I fall, will you have sympathy?  
If I run, if I run  
Will you run after me?

I've dreamed of a place,  
Of white satin and lace,  
Black on a tie,  
And cake on my face,  
Wicker rocking chairs,  
Salt and peppered hair,  
When that day comes round  
Will you still be there?

If I run, will you run after me?  
If I walk, will you wait patiently?  
If I fall, will you have sympathy?  
If I run, if I run  
Will you run after me?  
Ooh yeah

If I run, oh if I, if I, if I run,  
If I run, will you run after me?  
If I walk, will you wait patiently?  
If I fall, will you have sympathy?  
If I run, if I run, if I run, if I run,  
If I run, will you run after me?  
If I walk, will you wait patiently?  
If I fall, will you have sympathy?  
If I run, if I run,  
Will you run after me?  
Ooh yeah

Ooh my heart has arrived.
