Jack was a reckless rebel boy from Tennessee  
In and out of trouble with the law  
Still something in his eyes looked like where she  
wanted to be  
And he had never seen something so beautiful

Jenny's daddy wore a sheriff's badge  
One night Jack asked him for her hand  
He said "Get real son she's got bigger plans  
And you're crazy boy if you think you're that man"

Jack said "Jenny will you run, Jenny will you run away  
with me?  
Hold me girl let's get away and chase that open road  
Follow what you feel, remember what is real  
It's you and me, no one can take this love away  
Please tell me that you'll go; Jenny will you run?"

She wrote a note then tip toed across the floor  
They were headed straight for Vegas lights  
Oh but daddies just don't sleep through slowly  
creaking doors  
And he yelled out "Don't you dare back out that drive."

Jack said "Jenny will you run, Jenny will you run away  
with me?  
Hold me girl let's get away and chase that open road  
Follow what you feel, remember what is real  
It's you and me, no one can take this love away  
Please tell me that you'll go; Jenny will you run?"

Rear view blue and red (Jenny's heart was pounding)  
Highway up ahead (oh she loves him)  
If you've got any doubts baby I'll pull over now  
But I'm ready to slam this pedal through the ground

Come on  
"Jenny will you run, Jenny will you run away with me?  
Hold me girl let's get away and chase that open road  
Follow what you feel, remember what is real  
It's you and me, no one can take this love away

Please tell me that you'll go; Jenny will you run?"
