"Starlight"

Sun is rising up on the the east side
A chance for everyone
I've been dreaming of the city for long time
Far from my own town

(You) I see
(Will see) My dream
(Your dream) For real
(Come true)
(You) I will
(Will rise) Will rise
(Above) Above
(The rules)

(Love - release our mind, you are what we want)
Heart is pure and thoughts are clear
Not gonna mess around
(Time - has taken our life you are what we need)
Mum and Daddy will be so proud
City please don't let me down

Starlight (Starlight have what you need)
Can you give me the fame
Can you hurl me the game, oh starlight! (repeat x2)

Time has come for me to be someone
A rich man, a superstar
And faith is all you need to be the one
Far from my own ground

(You) I see
(Will see) My dream
(Your dream) For real
(Come true)
(You) I will
(Will rise) Will rise
(Above) Above
(The rules)

(Love - release our mind, you are what we want)
Heart is pure and thoughts are clear

Not gonna mess around
(Time - has taken our life you are what we need)
Mum and Daddy will be so proud
City please don't let me down

Starlight (Starlight have what you need)
Can you give me the fame
Can you hurl me the game, oh starlight! (repeat)

Starlight have what you need
