Boy  
Somebody hurt you  
Boy  
I wish I knew who  
Could look  
Into your sad eyes  
And make  
Such a sweet thing cry

You're lonely like only the broken can know  
Aching for love but afraid to show  
See how I miss you

Boy  
Someone might hurt you  
But it would never be me  
I'd wrap you inside me  
Be free or just hide for awhile

'Cause I'm lonely like only the broken can know  
Aching for love but afraid to show  
Lonely like only the broken can be  
Breaking my own heart to make you see  
See how I miss you

Please don't run away from the things that are real  
And don't be afraid of whatever you feel  
I'm feeling it too  
I'm feeling it too

Boy  
If you go looking  
For things like in younger days  
There won't be an answer  
Only love can change your ways

Your lovely like only the broken can know  
Aching for love but afraid to show  
Lonely like only the broken can be  
Breaking your own heart to make me see

See how I miss you

Boy, somebody hurt you  
Boy, somebody hurt you  
Boy, somebody hurt you  
Boy, somebody hurt you  
Boy, somebody hurt you  
Boy, somebody hurt you  
Boy
