You're twisting what I say  
You have me on the floor  
I have to get away  
I move toward the door  
PC This is it, because I'm on my way...  
Ch: (Tell me where you're going to now)  
I'm going to find Al Gatto Nero  
(What will you do, please tell me how?)  
Mi sento fortunato, si si, Ã© vero  
(I need to know, when will you be there?)  
I'll be there after midnight, and I will be solo  
(And how are you feeling tonight?)  
I'm feeling good  
Via della Luna, quattro quattro zero  
All's fair in war and love  
I hear that's what they say  
It's clear I've had enough  
We fight another day  
This is it, because I'm on my way...  
Time after time  
Out of sight, out of mind
