This time, you know just what I'm saying  
But you could never give a damn  
Or so it seems

It's a fine line with this game that you're playing  
And you could always turn around  
Go running for home

ALIBIS, little lies  
Procrastination  
Secrecy, duplicity  
The end of your ALIBIS

Something I could always believe in  
Suddenly just disappeared  
It's all over now

ALIBIS, little lies  
Procrastination  
Secrecy, duplicity  
The end of your ALIBIS

Goodbye your tiny whispers of comfort  
Never the victim of circumstance  
You had me deceived

So Jodie, maybe this is the last time  
That I will ever speak your name  
I'm going home

ALIBIS, little lies  
Procrastination  
Secrecy, duplicity  
The end of your ALIBIS
