So scared of the dark
Frightened now to close heavy eyes
Escape this dream
Haunts my every cell

Whenever I sleep
I wake into a world
After the war
The cities turned to sand

We live underground
Ever since the fall
Our nations erased
Programmed 20 years ago

I'm alive, I'm alive

Blue Moon Monday
Blue Moon Monday
I can't believe the scene
Some day, some day

So safe within my arms
One day, one way
We will return again
Blue Moon Monday, Monday

Again I awake
Into a perfect world
The sun always shines
Here I feel so safe

I'm living two lives
The darkness and the light
Heaven and Hell
I don't wanna die

Don't let me sleep
Why can't just you hear what I say?
Which is the dream
Now I don't understand

I'm alive
Am I alive?

Blue Moon Monday
Blue Moon Monday
I can't believe the scene
Some day, some day

So safe within my arms
One day, one way
We will return again
Blue Moon Monday, Monday

Blue Moon Monday
Blue Moon Monday
It's a Blue Moon Monday
