Hey, what a spectacular evening
Yeah, why would I ever complain?
If it wasn't for you, I don't know what I would do
So you help me through
And I don't wanna lose you
Hey, what would you say if I told you
I thank you for all that I am
'Cos I was on my own
I just can't do it alone
'Cos I don't know how
And I don't wanna lose you now

And if there's something that I can do for you
Just call my name and I will be coming through
Any time, or place at all I will be there

If it wasn't for you, I don't know what I would do
'Cos I don't know how
And I don't wanna lose you

Sometimes it's too hard to be honest
These things don't come easy to me
So while we've been apart
I've just followed my heart
And it's in your hands, so
I don't wanna lose you now

And if there's something that I can do for you
Just call my name and I will be coming through
Any time, or place at all I will be there... yeah!

If it wasn't for you, I don't know what I would do
'Cos I don't know how
And I don't wanna lose you now

Don't wanna lose you now
I don't wanna lose you now
I don't wanna lose you now
I don't wanna lose you now
I don't wanna lose you now
I don't wanna lose you

Hey, what would you say if I told you
I thank you for all that I am
If it wasn't for you, I don't know what I would do
'Cos I don't know how
And I don't wanna lose you now
