I'm caught in the heat  
Hold your head as you sleep  
How can I close my eyes  
When I'm watching you  
Such a fever inside  
From emotions within  
Burning the night with the truth

Sweetest poison  
Positive attraction  
Ragin' in my mind

Oh if you walk away  
You take the life from me  
Oh if you walk away  
You take the air I breath  
Life would be lonely  
More then you'll ever know  
You've put all Heaven on Earth

I hear the sound of your voice  
In the breath of the wind  
I feel the touch of an angel  
Next to my skin  
It cuts so deep inside  
It draws out the life  
Harder with every time

Sweetest poison  
Positive attraction  
Ragin' in my mind

Oh if you walk away  
You take the life from me  
Oh if you walk away  
You take the air I breath  
Life would be lonely  
More then you'll ever know  
You've put all Heaven on Earth

Oh if you walk away  
You take the life from me

Oh if you walk away  
You take the air I breath  
Life would be lonely  
More then you'll ever know  
You've put all Heaven on Earth  
Oo oo,,,
