Heroes of the future  
The keepers of the past  
And objects of our beauty  
Remaining till the last

Walking on the water  
The oceans at our feet  
The passage of our nature  
The taste of bitter-sweet

So shall we be kings?  
Born just to win  
Proud voices sing  
And we wish that this life  
Would go on and on

Looking in the distance, ooh  
The fever on the street  
Cast away the covers  
Let my people see

Oh, rulers of the network  
Leaders from the dark  
Embrace a generation, oh  
The first will be the last

So shall we be kings?  
Born just to win  
Proud voices sing  
And we wish that this life  
Would go on and on

Shall we be kings?  
Born just to win  
Proud voices sing  
And we wish that this life  
Would go on and on

We will never give up  
Till the day is done

Shall we be kings?

Born just to win  
Proud voices sing  
And we wish that this life  
Would go on and on

Shall we be kings?  
Born just to win  
Proud voices sing  
And we wish that this life  
Would go on and on

We will never give up  
Till the day is done  
And we hope that the word  
Will live on and on

Time waiting  
Time taking  
Life, ooh

Time waiting  
Time taking  
Life, ooh

Time waiting  
Time taking  
Life
