Don't read Marx  
He's a clean cut guy  
Just the dream  
On a TV eye

If you swim  
In the dark  
You lose a hand  
When you feed the shark

Little rich boy  
She's gonna find you  
Little rich boy, yeah

Little rich boy  
Those claws will blind you  
Just a little rich boy

She got hooks  
In your veins  
Feel the pleasure  
Kill the pain

Drop a pearl  
See the dragon fly  
Crack the diamond  
Do you still feel high?

Little rich boy  
She's gonna find you  
Little rich boy, yeah, yeah

Little rich boy  
Those claws will blind you  
Just a little rich boy

Hey, rich boy  
It's too late, no  
Real life rich boy  
But you can wait

Little rich boy

She's gonna find you  
Little rich boy

Little rich boy  
Those claws will blind you  
Just a little rich boy

Just a little rich boy  
She's gonna find you
