Hold hands, slow-dance while da record spins,

Everytime i'm with you boy you make me feel so comfortable..

Yea i know i used 2 play back then

Now i'm all grown up Like my girl Raven,

You wanna be my Luver, you wanna be my Friend

You wanna be da only nigga I call

Or make love to - play fights with to the very end

Now I know that I messed up, so boy you better stop trippin..
