[Master P talking]

Yo T, I know you there girl pick up the phone  
Anyway, I'm on my way ya heard me

[Tamar Braxton & (Master P)]

I been watching you, watching me (I got my eyes on  
you too whodi, ha ha)  
And I really want to know (I wanna make ya my  
babooski, ya heard)  
Before we go, can you keep it on the low

[Tamar Braxton x2]

Tell me can you keep a secret  
Tell me boy exactly what you do  
Before I make you my boo or get freaky with you

[Master P]

What, what, what, what  
The first time I seen you I met you in a party  
Something about them eyes and the way you walk  
It's something about them thighs and the way you talk  
Make me wanna grab my pistol and go to war  
I'm a thug but it's all love baby  
Don't be scared, I'm not gon' break ya heart baby  
Picture this a lil' sexin' on the beach, ya heard  
Ya ready freaky when ya doin' this with me whodi  
You like rides then I got plenty of dogs  
You wanna go fast then boo I got exotic cars  
You wanna be platinum then girl I'm gon' ice you up  
And if the Benx too small take a Rolls or truck, ya heard

[Tamar Braxton & (Master P)]

I been watching you, watching me  
(My life is my life, ya life is ya life)  
(Ya see two wrongs can't make it two rights)  
And I really want to know  
(My life is my life, ya life is ya life)  
(Ya see two wrongs can't make it two rights)  
Before we go, can you keep it on the low

[Tamar Braxton x2]

Tell me can you keep a secret  
Tell me boy exactly what you do  
Before I make you my boo or get freaky with you

[Master P]

I don't mean to brag but if ya need some money boo I  
got that  
10 karats on ya finger I bet cha' girl ya got that  
Ya gotta play it safe whodi, I ain't gon' sweat chu'  
Ya like to get freaky, tonight I'm gon' wet chu'  
Champagne mix it up, hook it up with the bubble bath  
Throw it to the hot tub, dresser, stab  
Don't play no games whodi, then we can rock that  
That new Jag truck you wanted boo you got that  
I'm gon' be there for ya shorty but not trickin'  
It's all love a lil' thuggin' and huggin' and kissin'  
Toni Braxton says they wasn't man enough  
But I'm a soldier girl so is it cool or what

[Tamar Braxton & (Master P)]
