You're leaving now it's in your eyes  
There's no disguising it  
It really comes as no surprise  
To find that you planned it all along

I see it now becomes so clear  
Your insincerity  
And me all starry eyed  
You think that I would have known by now

Now sure as the sun will cross the sky  
This lie is over  
Lost like the tears that used to tide  
Me over

(Only time will tell)  
One thing is sure  
That time will tell  
(Only time will tell)  
If you were wrong  
The brightest ring around the moon  
Will darken when I die

Now sure as the sun will cross the sky  
The lie is over  
Gone like the tears that used to tide  
Me over

You're leaving now it's in your eyes

There's no disguising it  
It really comes as no surprise  
To find that you planned it all along

(Only time will tell)  
I see it now  
Becomes so clear  
(Only time will tell)  
Your insincerity  
And me all starry eyed  
You think that I would have known by now

Now sure as the sun will cross the sky  
This lie is over  
Lost like the tears that used to tide  
Me over  
(Over, over, over)

(Only time will tell)  
You're on your own  
Inside your room  
(Only time will tell)  
You're claiming victory  
You were just using me  
And there is no one you can use now

(Only time will tell)  
One thing is sure  
That time will tell
