Rise (Japanese Release)  
(Payne/Downes)

Read in the papers  
See on the screen  
Oppressive behavior  
A foreign regime

That don't happen here  
That can't happen here

Rise  
Legion of hope  
Rise  
Don't give in  
Land of the sun  
To where West was won  
Rise  
To the future

Political stranger  
Under attack  
Forever in danger  
For stating a fact

So don't you speak your mind  
You may lose you life

Rise  
Legion of hope  
Rise  
Don't give in  
Land of the sun  
To where West was won  
Rise  
To the future
