Words trip from my tongue  
Saying be strong, always be strong  
Scenes flash past my eyes  
Telling me here is where I belong

And if you believe what I believe  
Then we're home, yeah, we're home

I should have seen it coming  
I could have worked it out  
Your feminine mentality  
Reveals the things I cannot see

I should have seen it coming  
I could have worked it out  
The danger signs have left my mind  
It's way beyond a shadow of a doubt

So it won't be long  
Stay with me now, this can't be wrong  
It's our right to fly to the stars  
Just for one night this world is ours

And if you believe what I believe  
Then we're home, yeah, we're home

I should have seen it coming  
I could have worked it out  
Your feminine mentality  
Reveals the things I could not see

I should have seen it coming  
I could have worked it out  
The danger signs have left my mind  
It's way beyond a shadow of a doubt

I should have seen it coming  
I could have worked it out  
Your feminine mentality  
Reveals the things I cannot see

I should have seen it coming

I could have worked it out  
The danger signs have left my mind  
It's way beyond a shadow of a doubt

I should have seen it coming  
And I could have worked it out  
Your feminine mentality  
Reveals the things I could not see

I should have seen it coming  
I could have worked it out  
The danger signs have left my mind  
It's way beyond a shadow of a doubt
