She cried to the southern wind
About love that was sure to end
Every dream in her heart was gone
She's headin' for a showdown

She cried to the southern wind
About love that was sure to end
Every dream in her heart was gone
Headin' for a showdown

Bad dreamer, what's your name
Looks like we're ridin' on the same train
Looks like though there'll be more pain
There's gonna be a showdown

And it's rainin' all over the world
It's rainin' all over the world
Tonight's the longest night

She came to me like a friend
She blew in on a southern wind
Now my heart is turned to stone again
There's gonna be a showdown

Save me, oh, save me
It's unreal the suffering
There's gonna be a showdown

And it's rainin' all over the world
It's rainin' all over the world
It's rainin' all over the world
Tonight's the longest night

Rainin', rainin
Rainin', rainin
Rainin', rainin

Rainin' all over the world
Yes, it's rainin' all over the world
Tonight's the longest night

Rainin' all over the world

Rainin' all over the world
Tonight's the longest night

Tonight, she came to me
She came to me
She came to me
Bad dreamer, what's your name

She came to me
She came to me
She came to me like a friend
