Sleeping Giant Parts 1 & 2 (Downes) / No Way Back
(Wetton/Downes)

Push forward again, I reach the
Point of zero return
No condemnation remains
No more bridges to burn

A hell of a deal, to keep what I feel inside
There's nowhere to run, there's nowhere to hide,
and there's
NO WAY BACK, NO WAY BACK
NO WAY BACK

A progressive disease
Takes me out of the door
That's when I grab the keys, and I,
I slam my foot to the floor

Step on the gas, smash through the barricade
I'm closing my eyes, cause I don't wanna see, 'cos
there's
NO WAY BACK, NO WAY BACK
NO WAY BACK
Keep on working the room
And the end is in sight
Something unknown propels me now
Leading me to the light

I got to be free it's life on the edge for me
The harder it gets, the harder I try and there's
NO WAY BACK, NO WAY BACK
NO WAY BACK

You're going too far, way over the line
You're raising the bar, no soft landing this time
We stand on the edge, this time is sink or swim
We're spreading out wing and we're learning to fly
and there's
NO WAY BACK, NO WAY BACK
NO WAY BACK
NO WAY BACK

It's life on the edge for me.
