Tears in my eyes  
Tears in my eyes

Feeling like there's nothing left to say  
Maybe I should wait for another day, one more day  
Tried to find myself, but now you're gone  
I had to find the strength to carry on, carry on

Ghosts of love will come, now the light is gone  
Haunting my soul, never letting go

Losing you would always be my fear  
Never knowing if you'd still be here, still be here  
Remembering the words you said to me  
Saying that you had to set me free, set me free

Tears in my eyes, how they fall like rain to the floor  
(Ghosts of love will come)  
Where do you go when the summer's gone?  
(Now the light is gone)  
Walking away is the same as closing the door  
(Haunting my soul)  
Can you look at the sky when the sun don't shine?  
(Never letting go)

Look in my eyes, you can see my dreams on the floor  
(Through my broken dreams)  
Where do I go now the summer is gone?  
(Hear you calling me)  
Run through the fields like a child who's closing the  
door  
(Lonely like the wind)  
You're feeling the wind, now the sun don't shine  
(Echoes back again)

Tears in my eyes, how they fall like rain to the floor  
(Ghosts of love will come)  
Where do you go when the summer's gone?  
(Now the light is gone)  
Walking away is the same as closing the door  
(Haunting my soul)  
Can you look at the sky when the sun don't shine?

(Never letting go)

Look in my eyes, you can see my dreams on the floor  
(Through my broken dreams)  
Where do I go now the summer is gone?  
(Hear you calling me)  
Run through the fields like a child who's closing the  
door  
(Lonely like the wind)  
You're feeling the wind, now the sun don't shine  
(Echoes back again)

Tears in my eyes, how they fall like rain to the floor  
(Ghosts of love will come)  
Where do you go when the summer's gone?  
(Now the light is gone)  
Walking away is the same as closing the door  
(Haunting my soul)  
Can you look at the sky when the sun don't shine?  
(Never letting go)

Look in my eyes, you can see my dreams on the floor  
(Through my broken dreams)  
Where do I go now the summer is gone?  
(Hear you calling me)
