Rhythm

Rhythm

Say if I tell you a story from my hood
Could you ever
Could you understand
Could you ever now
Could you understand

Say if I tell you a story from my hood
Could you ever
Could you would you understand
Could you ever
Would you ever understand

Say it's all about coming up
Cutting through but coming up
Say it's all about coming up
Say it's all about coming up

Listen eh hot in the daytime
Cold cash at the night-time
Listen, hot stuff in the daytime
Cold cash money at the night-time

You know we make it right y'all
Couple of zeros behind the one
Not for fun straight get the job done
Could you understand
Could you ever understand

My hood
'Cos this is my hood
Could you ever
Would you ever know
Could you understand

Nowadays
Could you represent
Represent
Could you represent
Represent

Could you understand
Nowadays
Could you ever
Would you understand
