Universal spirit elevates your soul
Takes you on a journey
Where you want to go

Flies you to the future
Floats you back in time
Let the voice eternal
Fascinate your mind

Universal spirit
Universal spirit

Universal spirit elevates your soul
When your heart perceives it
Love is in control

Dive into the ocean
Energize your life
Feel voice eternal
Open up your mind

Universal spirit
Universal spirit, yeah, yeah
Universal spirit, hey, hey

Moving every, moving every
Moving every mountain
Moving every, moving every
Moving every mountain
Universal spirit
Moving every mountain

Universal spirit elevates your soul
Takes you on a journey
Where you want to go

Flies you to the future
Floats you back in time
Let the voice eternal
Fascinate your mind

Universal spirit

Universal spirit
Moving every mountain

Universal spirit elevates your soul
When your heart perceives it
Love is in control

Dive into the ocean
Energize your life
Feel voice eternal
Open up your mind

Universal spirit
Universal spirit
Moving every mountain
Moving every mountain

Universal spirit
Universal spirit
Moving every mountain

Universal spirit
Universal spirit
Universal spirit
Moving every mountain

Universal spirit takes you high
