[Verse 1: Beyonce]  
I hear you be the block  
But I'm the lights that keep the streets on  
Notice you the type that like to keep them on a  
Leash though  
I'm known to walk alone  
But I'm alone for a reason  
Sending me a drink ain't appeasing  
Believe me  
Come harder this won't be easy  
Don't doubt yourself trust me you need me  
This ain't a shoulder with a chip or an ego  
But what you think they all mad at me for

[Bridge]  
You need a real woman in your life  
That's a good look  
Taking care, home is still fly  
That's a good look  
I'ma help you build up your account  
That's a good look  
Better yet a hood look  
Ladies that's a good look  
When you're in them big meetings for the mills  
That's a good look  
It take me just to compliment the deal  
That's a good look  
Anything you cop I'll split the bill  
That's a good look  
Better yet a hood look  
Believe me  
Ladies that's a good look

[Chorus]

[Verse 2: Beyonce]

I can do for you what Martin did for the people  
Ran by the men but the women keep the tempo  
It's very seldom that you're blessed to find your equal  
Still play my part and let you take the lead role  
Believe me  
I'll follow this could be easy  
I'll be the help whenever you need me  
I see you hustle wit my hustle I  
Can keep you  
Focused on yo focus I can feed you

They call shots, I call audibles  
Jacob the jeweler, baubles, Lauraine Schwartz sorta

I'm talking spy bags and fly pads and rooms at the  
Bloomberg  
And rumors you on the verge of a new merge  
'Cause that rock on ya finger is like a tumor  
You can't put ya hand in ya new purse  
It's humorous to me they watching  
We just yachting off the island hopping off  
Amalfi coast  
Mafioso, oh baby you ever seen Saturn  
No, not the car but everywhere we are  
You sure to see stars.

My bezzle courtesy of Audemars  
I order yours tomorrow now look how much I saved you  
Mama let me upgrade you

[Hook]  
Just when you think we had it all  
Big ends, condos, collecting cars  
Picture your life elevating with me  
You my project celebrity  
I keep your name hot in them streets  
That little glimpse of light  
Makes that diamond really shine  
And you already is a star  
Unless your flawless  
Then ya dynasty ain't complete without a chief like me
