[Big & Rich]

Brothers & Sisters

We are here for one reason and one reason alone

To share our love of music

I present to you country music without prejudice!

[Verse 1]

Country boys don't rock 'n' roll

Yeah, the record man told me so

You'll never get it on the radio

Why they tryin' to complicate

The simple music that we make

Oh, cause if it moves my soul

I'm gonna keep on rollin' rollin'

[Chorus]

Hey, just wanna hear everybody sing (rollin' rollin')

At the top of your lungs 'til the windows break (rollin'
rollin')

Say hey, hey, hey

[Verse 2]

Ain't gonna shut my mouth

Don't mind if I stand out in a crowd

Just want to live out loud

I know there's got to be

A few hundred million more like me

Just trying to keep it free

[Repeat Chorus]

[Verse 3]

Charley Pride was the man in black

Rock 'n' roll used to be about Johnny Cash

Hey what you think about that

I'm a crazy son of a .. (bad word)

But I know I'm gonna make it big and rich

Yeah, I'm gonna let it rip

[Repeat Chorus]

[Big & Rich]
COW-BOY TROY!

[Verse 4: Cowboy Troy]

Dum-diggity-dum, diggity-diggity dum, dig this
Slicker than the grease from a barbecue brisket
Got more chunk than a fresh potato salad
You thought you had your answer but your answer was
invalid
You're lookin' at me crazy cause you think I'm loco
The Big Black Cowboy with the crazy vocal
Todas las personas estan gritando arriba
Now you heard it, now I know you're a believer
Esta cancion es para toda la gente
Es muy importante a usar su mente
So let go of all your preconcieved notions
Get up on your feet and put your body in motion
Cause back home we love to dance
We could be two-steppin' or ravin' to trance
And when the party is crunk the girls back it up
We've got the systems in the cars and the 20's on the
trucks
6'4" with a cowboy hat
I don't mess around, yo what's up with that?
I'm Cowboy Troy, a Texas hick
And I'm rollin' with the brothers Big & Rich!

[Big & Rich]

Go cowboy, go cowboy go! (go cowboy, go cowboy
go!)
Go cowboy, go cowboy go! (go cowboy, go cowboy
go!)

[Repeat Chorus x 2]
