If looks could kill you'd be a murderer,
Maybe just a whore, maybe you're a..
If looks could kill you'd be a murderer,
Maybe just a whore..

Maybe just a whore

If looks could kill you'd be a murderer,
Maybe just a whore,
I promised so much more,
Walking through that door became a job,
If looks could kill,
If looks could kill.

I'm sorry for, I'm sorry for, I'm sorry for,
Bleeding on your porch.
I know I know I know,
Knew that it wasn't right,
But of course I tried
To keep my heart inside of my
Chest but that fell through
That's why I'm here with her not you

If looks could kill you'd be a murderer,
Maybe just a whore,
I promised so much more,
Walking through that door became a job,
(if looks could kill)
If looks could kill you'd be a murderer,
(if looks could kill)
Maybe just a whore,
I promised so much more,
Walking through that door became a job

It's a comfort to know
As you're watching him go,
As you're leaving him scream your name
Is this what you wanted
Is this what you needed
Is this what you call a bleeding game
Take a run for me, leave them all alone
See their eyes when their love's so far from home

With a flick of the tongue
And the shake in the hips
And the look in your eye
And the red in your lips

If looks could kill you'd be a murderer,
Maybe just a whore,
I promised so much more,
Walking through that door became a job,
If looks could kill
If looks could kill
If looks could kill

I'm sorry for, I'm sorry for, I'm sorry for
Bleeding on your porch
I know I know I know
Knew that it wasn't right
But of course I tried
To keep my heart inside of my
Chest but that fell through
Well that's why that's why I'm here with you
Here with you

If looks could kill you'd be a murderer,
Maybe just a whore

If looks could kill
If looks could, if looks could
You'd be a whore

If looks could kill you'd be a murderer,
Maybe just a whore,
I promised so much more,
Walking through that door became a job,
If looks could kill
If looks could kill

If looks could kill you'd be a murderer,
Maybe just a whore,
Maybe I'm the
Maybe I'm the murderer
Maybe you're the whore

If looks could kill
If looks could, if looks could kill
You'd be a murderer
If looks could kill
You'd be a murderer
