Yeah i'ma be real wit you motherfuckas  
It done been once and it can be done again  
Your family now, welcome to the Suave house

[Thorough]

Well I was broke down and out sitting at the house  
Two blunts see wit the third blunt hanging out my  
mouth  
Thinking bout how these no clout niggas feel they got  
cash  
And guess a nigga want smooth  
Get they ass, but pass me the mass and the mag (uh  
huh)  
If I don't act bad like P jab you niggas should be glad  
He had plush pads from coast to coast  
Happy capping ass nigga who love to boast  
So I post at the strip club, the trick site  
Cause I know that's where he spend most of his nights  
I'm right outside, when this fool gonna leave the spot  
4:30 in da morning we headed out the parking lot  
Trailed him up the block made a left at the stop sign  
Lame ass nigga rolling solo in a 9-9  
At the red light I pulls up on the right  
Put two up in his heart he's another armed robbery

[Gillie Da Kid]

Let's get this money run in the crib cock your hammer  
Nigga move then you pop your hammer  
Shit is real, you react you get killed  
Playboy this the deal  
I want the dough, the bricks the keys to your whips  
A nigga act fly you pop him in his thigh  
Let him know that he can die nigga eye for eye  
Where the stash nigga, Where your cash nigga  
Suave house cut you from neck to ass nigga  
Pulling out your heat but you scared to blast nigga  
Fucking around wit me you be under grass nigga  
Family, friends a thing of the past nigga  
Defintely ain't the first and won't be the last nigga  
Grab the bag put the duffle over the shoulder

Ran down the steps hopped into the rover  
Hi speed chase fuck it take the shoulder  
Suav
